

OUR WASTE - THE FUTURE?

Wednesday 4th December 2019

Community Partnerships in Action Towards a Circular Economy

Place: Heritage Quay, University of Huddersfield

A conference in two parts from 10.00-12.30 & 13.30-17.00

Join the conversation about the future of our waste in Kirklees.

Community Partnerships in Action focuses on how residents, community organisations, businesses and councils can work together to reduce, reuse and recycle waste.

Towards a Circular Economy explores the implications of the new National Waste & Resources Strategy within Kirklees; for minimising waste, promoting resource efficiency and creating a local circular economy.
